

Heavy Metals Declaration of Conformity

In accordance with the PPWR Regulation (EU) 2025/40, Article 5, paragraph 4, the EC Packaging Directive 94/62/EC, and Directive 2004/12/EC

Based on the declarations and certifications provided to us by our suppliers, as well as our internal quality controls, we hereby confirm that the big bags distributed by ClayTec GmbH & Co. KG comply with the following requirements:

Heavy Metal Content

The total concentration of the heavy metals lead (Pb), cadmium (Cd), mercury (Hg), and hexavalent chromium (Cr VI) does not exceed the legally prescribed limit of 100 ppm (0.01 percent by weight) in accordance with the requirements of the PPWR Regulation (EU) 2025/40 and the EC Packaging Directive 94/62/EC, as amended.

PFAS and MOSH/MOAH

We confirm that no PFAS (per- and polyfluorinated alkyl substances) are used in the big bags supplied by ClayTec GmbH & Co. KG, Nettetaler Straße 113–117, 41751 Viersen. Furthermore, based on current knowledge, no migration of MOSH (mineral oil-saturated hydrocarbons) or MOAH (mineral oil aromatic hydrocarbons) is to be expected.

Genetically Modified Organisms (GMOs)

The Big Bags supplied are made of polypropylene (PP) and other technical materials. We hereby confirm that the raw materials and additives used in their manufacture are free of genetically modified organisms (GMOs).

In particular, we declare that:

The materials used do not contain any genetically modified organisms, no raw materials, additives or processing aids associated with GMOs and the Big Bags supplied comply with the applicable requirements of Regulations (EC) No. 1829/2003 and (EC) No. 1830/2003.

This statement is based on the most current information, declarations of conformity, and certifications from our suppliers, as well as on our internal quality and incoming goods inspections.

Should you require further information or additional documentation, we are, of course, happy to assist you at any time.

Sincerely,

Maximilian Breidenbach

Head of Production & Business Development
